Animals/Pets Policy

Only service or service animals in training are allowed in the Student Center. Service animals are defined as dogs that are individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, and/or other mental disability. The work or tasks performed by a service animal must be directly related to the individual’s disability.

Non-service animals and pets are not allowed in the Student Center. Animals whose sole function is to provide comfort or emotional support do not qualify as service animals and are not allowed in the facility unless otherwise approved by Student Center Administration.

Hoverboards, Bicycles, Skateboards and Wheeled Devices

The use of bicycles, skates, skateboards, and other wheeled recreational vehicles is prohibited inside the Student Center. Bicycles must be left outside and secured to the bike racks provided.

Southern Illinois University Carbondale also prohibits the use, possession or storage of hoverboards or similar electronic self-balancing skateboards or scooters on property owned or controlled by the University. Hoverboards or similar electronic self-balancing skateboards or scooters are defined as a type of portable, rechargeable battery-powered scooter. They typically consist of two wheels arranged side-by-side, with two small platforms between the wheels, on which the rider stands. The device is controlled by the rider’s feet.

The Student Center reserves the right to monitor and control volume.

Photography and filming in the facility is prohibited without prior approval from Student Center Administration. The express consent of those being filmed must be obtained. Student Center staff reserves the right to dictate the locations where filming is permitted as to not interfere with the course of normal building operations. Media outlets may have access to the Student Center as long as these guidelines are followed.
