Small Food Policy

1. Registered Student Organizations, University Departments, and outside groups may bring prepackaged food into the Student Center for consumption in private meeting spaces only.

2. Prepackaged food includes food in manufacturer sealed, airtight containers or wrappers. This may include potato chips, cookies, candy, or beverages as well as fruit and veggie trays. Per SIU’s agreement with Pepsi MidAmerica, all beverages must be Pepsi products, including bottled water (Aquafina or Crisp’n Clear). NO HOMEMADE ITEMS ARE ALLOWED. Reference this site for a list of all Pepsi beverage products: [http://www.pepsicobeveragefacts.com/](http://www.pepsicobeveragefacts.com/)

3. Food items which require refrigeration or heating to ensure food quality must be ordered through a Student Center vendor (i.e. McDonald’s, Starbucks, Subway) or through one of the Student Center’s preferred caterers.

4. The group must provide their own ice and utensils when bringing in food/beverages.

5. Food items (prepackaged or not) are not allowed to be handed out in common areas or hallways without prior approval.

6. When a Registered Student Organization, University Department, or outside group reserves space with Conference and Scheduling Services, they must indicate on the reservation form if they plan to provide food. If individuals or groups decide to bring in food after they initially reserve space, they must notify Conference and Scheduling Services at least 2 business days in advance.

7. Prepackaged food wrappers or empty containers must be disposed of by the reserving group. Per the Scheduling Guidelines Policy, groups may be charged a $30 minimum housekeeping fee if Student Center space is left unclean after use.

8. If individuals or groups are assessed a housekeeping fee on more than one occasion, they may lose the privilege of bringing food into the Student Center.
