Guidelines and Regulations

- All artwork will be juried into the Holiday Craft Sale. Please send 3-5 images for review to craftshop@siu.edu.

- All craft vendors must provide information that will be reported to the Illinois Department of Revenue. In addition, you will be given a Special Events Tax Collection Report and Payment Coupon.

- All art and craft items must be original work. No commercially obtained items, imports, food, literature, books or magazines, etc., can be sold. Vendors must submit a photograph that represents their work. Photos may be emailed to the Craft Shop at craftshop@siu.edu. Additional photos may be needed if there is a change in the craft sale items or at the request of the Craft Shop coordinator. Vendors will be asked to remove items from their tables that do not fit the criteria. The exception to this rule is for the Valentine's Craft Sale. No food vending allowed.

- All crafts will be prejudged for compliance to guidelines, quality and excessive repetition by vendors.

- Limited space is available. Vendors may request locations, but final allocations of space will be determined by the Craft Shop coordinator to preserve consistency, variety and quality.

- Vendors are responsible for collecting their proceeds. The Craft Shop is not responsible for any checks accepted.

- Tables and rented space may not be subleased, traded or given to other vendors.

- Vendors are responsible for lighting and extension cords.

- Booth spaces have an 8-foot frontage and are approximately 6 feet from front to back. Tables are approximately 8 feet by 30 inches wide. Tables and chairs are provided. If vendors choose to provide their own setup, they must comply with the space requirements. A map of craft table locations is available at the Craft Shop.
